EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below, which incorporates by reference the examiner's amendment in the allowance mailed on August 28, 2008. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Dr. Michelle S. Glasky, Applicant's Agent, on January 14, 2009 at ~4:42 pm EST.

The application has been amended as follows:

- (1). In line 6 of claim 33 insert the word "the" before the word "diketopiperazine".
- (2) In line 6 of claim 33 insert the word "derivative" after the word "diketopiperazine".

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance, which incorporates herein by reference the reasons for allowance specified in the allowance mailed on August 28, 2008: Applicants newly filed IDS did not cite any references that changed the previous patentability determination. The closest prior art on Applicants' new IDS was EP 0220958 (EP 558). EP 558 is limited to the preparation of protein compounds comprising a peptide (e.g. pro-insulin) covalently bound to a dipeptide linker comprising proline, which may be appended to a diketopiperazine. There is no motivation to modify the pro-insulin compound suggested by EP 0220958 by the elimination of the dipeptide sequence followed by complexation with

Art Unit: 1616

diketopiperazine microparticles. Thus, the claimed method remains is free of the prior art, as determined previously in the allowance mailed on August 28, 2008.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Johann Richter can be reached on (571) 272-0646. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
